

PURWER SAFETY INSPECTIONS (ADVANCED PROGRAMME)

Accredited by City & Guilds

Stockton on Tees **29 APRIL -1 MAY 2025**

OVERVIEW

We are delighted to offer this three-day City & Guilds Accredited course which is designed to provide you with the skills and knowledge to carry out and conduct PURWER inspections on machinery used in your organisation.

Delivered by the ST&L training team, the course will cover your obligations in order to meet the legal requirements of the Regulations. The course will outline the timing of the PURWER inspections and what they should contain. You will gain a better understanding of the PURWER Approved Code of Practice (ACOP) and how this can help you meet your legal obligations.

WHO SHOULD ATTEND

Engineering teams, quality managers, production managers, general managers and statutory duty holders with an operational focus.

THE VENUE

Training Centre of Excellence
Richard House, Sarbonne Close,
Stockton on Tees, TS17 6DA
