

SUSTAINABILITY SHOWCASE DAY

Wokingham 12 MARCH 2025

The laundry industry's sustainability and circular credentials are driven by innovation in textiles, equipment and infrastructure design along with optimised processes. In addition to these, the energy and water supply provisions for the future will make a significant difference in how we plan and implement the transition to an even more sustainable industry.

OVERVIEW

The sustainability day will be dedicated to exploring the deliverables that will continue to make our laundry industry realise its carbon reduction plans and achieve other key goals in social and governance aspects.

We have also invited selected end-users to join us to share in our collective journey.

TIME & LOCATION

The day takes place from 10.30am - 3.30pm at DoubleTree by Hilton St. Anne's Manor, London Rd, Wokingham, RG40 1ST. Onsite parking available. Accommodation must be booked directly with the hotel.

WHO SHOULD ATTEND

This is aimed at directors, owners, general managers, senior management, sustainability managers, engineering teams, purchasing teams, production teams, linen/garments/chemicals/equipment suppliers plus invited end-users.

COSTS

The day is £120+VAT pp for members, and £240+VAT pp for non-members. Lunch is included.

MAIN TOPICS COVERED

The day will look at creating cultures that value sustainability, including the following:

- How GLARE enables you to reduce carbon
- The role of Infinite Textiles in your journey
- Panel discussion with TSA's Textile working group
- Your site action plan without breaking the bank
- How can we all contribute with Anna Turns, BBC journalist
- Understanding BCI cotton with Eleanor Gaffney

With guest speakers, panel discussions and excellent opportunities to network with colleagues and peers in the industry.
